Mr. Dan Grisell  
c/o UMedMarket  
1 K-Mart Plaza  
Greenville, South Carolina 29605

Dear Mr. Grisell,

The purpose of this letter is to provide you and all members of UMedMarket staff with notice that, effective immediately, DHEC Greenville County Health Department and DHEC Public Health Laboratory will no longer accept COVID-19 samples collected by UMedMarket. Please make arrangements to find alternate laboratory support. Our couriers have been instructed that they are not to accept test samples from you or your staff, regardless of whether those samples are received at the Greenville County Health Department or elsewhere along the courier's route. Further, please immediately remove the information on the UMedMarket website tracking turn-around time for test results from DHEC.

As of Monday, January 18, 2021, your DHEC access card will be disabled and you will no longer be able to gain entry to the Greenville County Health Department for the purpose of submitting COVID-19 test samples.

While we value UMedMarket as a community partner in slowing the spread of COVID-19, DHEC cannot continue to provide laboratory services and supplies free of charge. Should you need assistance locating alternative laboratory services, we will be glad to support you in that effort.

Thank you for your cooperation.

Sincerely,

Danielle W. Maynard, Esq.  
General Counsel, COVID-19 Incident Command
